

WORK SESSION

Statewide Initiatives to Increase FAFSA Completion

Brainstorm ideas about creating and establishing a **statewide FAFSA completion initiative**. No idea is too big or too small! **Get creative!** Pull from ideas shared during the Summit and perhaps discussed within your organizations and communities. The ultimate goal of this session and this Summit is to eventually move forward on FAFSA completion initiatives that can be adopted statewide. Groups will report out about their top ideas later this afternoon.

One person from each table to pick up a large post-it located around the room to bring back to your table. Please be sure to have at least one person taking down the notes and ideas during this session.
