Alaska Family Education Loan (FEL) 2018/2019 Application and Promissory Note

Loan Terms and Conditions

The Alaska Commission on Postsecondary Education (ACPE) services the education loans owned by the Alaska Student Loan Corporation (ASLC). Loans made under this application are governed by Alaska law including Alaska Statutes 14.43.710 - 750 and Alaska Regulations 20 AAC 15.510-590 and 20 AAC 15.910-15.990, as amended from time to time.

A. Eligibility Requirements

In order to qualify for this loan, a borrower must:

1. be a U.S. citizen or an eligible non-citizen, and an Alaska resident;
2. not be delinquent or have ever defaulted on a prior education loan, and within the preceding five years not have had an education loan written off for any reason except for discharge in bankruptcy;
3. not be past due in an Alaska child support obligation;
4. not have a status at the time of application for a loan, or disbursement of the funds, that would prevent repaying the loan as it becomes due;
5. have complied with any applicable military selective service registration requirements under the Military Selective Service Act.

In order to qualify for a loan, a student for whom you are borrowing must:

1. be a U.S. citizen or an eligible non-citizen, and an Alaska resident;
2. attend an eligible postsecondary institution;
3. be enrolled full-time in a career vocational-technical program or an associate, baccalaureate, or graduate degree program;
4. be a student in academic good standing, as defined by the institution of attendance;
5. not be delinquent or have ever defaulted on a prior education loan and within the preceding five years not have had an education loan written off for any reason except for discharge in bankruptcy;
6. not be past due in an Alaska child support obligation;
7. have complied with any applicable military selective service registration requirements under the Military Selective Service Act;
8. be a spouse, child, step child, foster child, or grandchild of the borrower; and
9. meet all other requirements under AS 14.43.750 and 20 AAC 15.510.

B. Credit Assessment/Eligibility Checks:

ACPE will review your credit history, your Social Security Number will be matched against the Alaska Department of Revenue, Child Support Enforcement Division's database, and other required databases, to ensure you are eligible. To qualify for the FEL, you must not have a credit history that demonstrates chronic inability or unwillingness to pay an extension of credit. If you do not qualify, you will be informed in writing of the reason for the denial and given an opportunity to add a cosigner to your application.

C. Cosigner:

An eligible cosigner is required if you are under 16 years of age, do not meet the credit requirements, or have defaulted on a prior education loan with ACPE. If you elect to add a cosigner, that person will be responsible for the loan even in the event you meet the credit conditions independently. ACPE will notify the cosigner of periods of delinquency, deferments granted, or any repayment agreement that will change the amount due on the loan. ACPE can collect from your cosigner without first having to collect from you.
FEL 18/19 PN

IMPORTANT

Before borrowing, always use grants, scholarships, and other funds that do not have to be repaid. This is not a federal loan and does not have the same repayment options.

Failure to timely repay this loan may result in, but is not limited to:

- adverse reports to consumer reporting agencies
- additional costs to you for collection and accrued interest
- forfeiture of deferment rights
- seizure of your Alaska Permanent Fund Dividend
- administrative wage garnishment
- lien on property
- a judgment in a court of law and/or legal or collection action

REMEMBER—Under current loan terms, after four years of borrowing, monthly payments can be as much as \$500 or even greater at graduate loan maximums.

D. Fees:

ACPE charges no origination fees. You may be assessed a late fee of up to \$15 if your payment is 30 days or more past due. In the case of default, you will be responsible for reasonable collection agency fees and/or collection and legal costs up to the total cost of collecting the debt you owe.

E. Interest:

The FEL has a fixed interest rate of 6.90%. Interest begins to accrue when funds are disbursed (sent to the school). Interest accrues during in-school, repayment and forbearance periods. Accrued and unpaid interest is capitalized (added to the principal balance) at various times. Generally, interest is capitalized any time your loan changes from a non-repayment status, such as forbearance periods, to a repayment status. Accrued and unpaid interest, late fees, and collection fees must be satisfied before payments are applied to principal.

Online Auto-Pay Reduction:

You may be eligible to receive a 0.25% interest rate reduction on your loan by authorizing ACPE to automatically deduct qualifying loan payments from a checking or savings account during the in-school, grace, and repayment periods. The reduction will remain in effect as long as qualifying automatic payments continue without interruption and other conditions are met.

Qualifying Conditions:

To qualify for the interest rate reduction, you must set-up recurring payments that meet the following conditions:

- **In-school Period** - Payments made during the in-school period must be a minimum of \$50.00 per loan.
- **Repayment Period** – Your loan must be current in repayment, and payments must be a minimum of \$5.00.
- **Deferment/Forbearance Periods** – Payments made during deferment and forbearance periods must be a minimum of \$50.00 per loan.

F. Annual Percentage Rate (APR):

The APR is the yearly cost of borrowing money, shown as a percent of the amount you borrowed. The APR is calculated based on the interest that will be charged over the life of the loan, the principal balance at origination, and the payment schedule, assuming that all payments will be made on time.

This Table Represents Estimated Rates	Interest Rate	APR
Principal Loan Amount \$10,000	6.90%	6.90%

The APR in this example assumes a principal loan amount of \$10,000, a repayment term of 10 years and no origination fee.

Federal law requires all lenders to provide this information about important credit protections available to members of the Armed Forces and their dependents. In general, the cost of consumer credit to a member of the Armed Forces and his or her dependent may not exceed an annual percentage rate of 36 percent. This rate must include, as applicable to the credit transaction or account: The costs associated with credit insurance premiums; fees for ancillary products sold in connection with the credit transaction; any application fee charged (other than certain application fees for specified credit transactions or accounts); and any participation fee charged. **If you have any questions as to whether the Military Lending Act applies to you, or to receive this information verbally, along with a clear description of your payment obligation, contact us at 800-441-2962.**

G. Disbursement of Loan Funds:

ACPE will send funds to the school's financial aid office. Your loan will be disbursed in equal installments based on the start date of the school's academic terms and the student's enrollment period unless the school designates alternate amounts. The disbursement amount cannot exceed the total certified loan amount. Funds for allowable expenses, but not owed directly to the school, may be released to the student.

H. Allowable Uses of Loan Funds:

This loan may be used for the student's tuition and program-related costs; room and board (living expenses); books; supplies; and allowance for transportation, based on the school's published budget.

I. Enrollment Intensity:

Enrollment intensity refers to whether the student attends on-time or full-time, as defined by the school. The school's financial aid office is required to certify the student's enrollment intensity, and the loan amount is based on the student's enrollment intensity.

On-time Attendance:

An undergraduate student enrolled in a minimum of fifteen (15) semester credit hours or equivalent per academic term.

Full-time Attendance:

- a) An undergraduate student enrolled in a minimum of twelve (12) semester credit hours or equivalent per academic term;
- b) A graduate student enrolled in a minimum of nine (9) semester credit hours or equivalent per academic term; or
- c) A student enrolled in a career education program of at least thirty-(30) clock hours per week for a minimum of six (6) weeks.

Flight School:

A student enrolled in a flight school program must log a minimum of 17 hours per month or 51 hours for a three-month period.

J. Loan Maximums:

You may receive up to the amount of your annual eligibility, as certified by the school, subject the loan maximums described below.

***Note:** The loan amount may be different from the amount disbursed, due to changes in your eligibility, enrollment or academic standing. Financial aid staff are not agents of ACPE and have no authority to change the terms and conditions of this Promissory Note.*

Undergraduate Students:

- On-time enrollment - up to \$14,000
- Full-time enrollment - up to \$12,500

Graduate Students:

- Full-time enrollment - up to \$15,000

Career, Technical Education and Flight Programs:

- Up to \$10,000

Cumulative Loan Maximums:

- Undergraduate study (including career/technical/flight) - \$56,000
- Graduate study - \$60,000
- Combined total - \$87,000

A borrower who receives Family Education Loans on behalf of more than one student and has borrowed up to the cumulative maximum may receive additional loans if the current total principal balance owed, including the new loan amount, does not exceed the cumulative maximum.

K. Repayment:

A repayment schedule will be established when the final disbursement is sent to the school, student drops below a full-time enrollment status, withdraws from school, or graduates, whichever is sooner. Generally, you must repay the loan in monthly installments of at least \$50 per month for up to 10 years. Payments can be as much as \$500 or greater depending on the total amount borrowed. The repayment term may be extended in qualifying situations, which also increases the total amount to repay. For borrowers who do not make payments after the first disbursement, the repayment schedule will be the one set forth in the Final Disclosure.

Application of Payments:

Payments received will be applied first to any late charges then accrued interest. Any remaining amount will be applied to the principal balance of the loan. Payment on a delinquent loan will be applied first to collection costs (including late fees), then to any outstanding interest charges, then to the outstanding principal balance of the loan, until those amounts are paid in full.

L. Forbearance

No deferment options are available for this loan; however, if you meet certain requirements, you may receive a forbearance that allows you to temporarily stop making payments on your loan. Forbearances are provided at the discretion of the lender.

M. Americans With Disabilities Act Compliance:

Otherwise qualified individuals shall not, based on a disability, be discriminated against or excluded from participation in, or the benefits of, the services, programs or activities of ACPE. Please notify ACPE if you need a disability accommodation.

Estimated financial assistance is all federal, state, institutional (school), private, and other sources of assistance used in determining eligibility for most Title IV student financial aid, including amounts of financial assistance used to replace the expected family contribution.
