Our campus agrees to:

- Maintain contact with teacher(s) for necessary schedule coordination, and to ensure students are on track with curriculum and timely survey completion.

- Work with teacher(s) to arrange career panel and identify 3 volunteer panelists per class.

- Include Kids2College and funding partner names/logos in all related print material, press information, and public announcements.

- Send prepared press release to local media and alert ACPE to any related press coverage.

Strong applications will show substantial in-kind and financial contributions to the event from applicants.

Requests will be reviewed, and, if sponsorship is offered, a Letter of Agreement will be sent. Please note that a sponsorship award will not consist of a dollar amount toward campus costs. Rather, the granting partners (ACPE and UA College Savings Plan) will commit to providing promotional materials and program support to your campus.

All application materials are due to ACPE by October 10th each year.
