- Read about the career you selected. If you wish to use this career, select **Start Your Reality Check**. If you wish to view other careers, select **Choose A Different Career**.
- The Reality Check will ask you to select the expenses that fit your lifestyle. Select **Next** to view the next question.
- Start the self-survey over or save your progress by selecting the **Start Over** or **Save** buttons.
- If you did not begin the survey with selecting a career, your final question will ask you to select **Career Clusters** you are interested in.

11. Your **Total Expenses** will display when the survey is completed. Use the drop-down menu if you want to change your location.
12. Review your expenses in the table at the bottom of the screen. Select an expense if you want to update your response.
13. Select **Your Custom Careers List** to view a list of careers that match your required annual salary, location and cluster choices.
14. Select a career **Title** or **Cluster** to view more information about careers.
15. Compare careers by checking the box next to two careers and selecting **Compare** above the list.
16. If you are looking for different results, change your location or career clusters at the top of the screen.
