Alaska Supplemental Education Loan (ASEL) Application and Master Promissory Note COSIGNER AGREEMENT PACKET

The Alaska Commission on Postsecondary Education (ACPE) services the education loans owned by the Alaska Student Loan Corporation (ASLC).

This Application and Promissory Note consists of multiple pages. By signing this Note you agree you have read, understood, and will abide by all terms and conditions set forth herein.

Section One: Disclosures A. Eligibility Requirements:

In order to qualify for a loan, you must:

- 1. be a U.S. citizen or an eligible non-citizen, and
 - a) an Alaska resident, or
 - a student physically present in Alaska and attending an Alaska institution;

To meet the residency requirement of this section, you must physically reside in this state and maintain a domicile in this state during the 12 consecutive months before the date of application, except that you may be absent from this state for no more than a total of 60 days during that 12-month period; and you may not have declared or established residency in another state, or received a benefit based on residency from another state.

You must continue to meet the residency requirement of this section each year that you receive or apply for a loan under this Note, except for (1) fulltime attendance at an educational or training institution outside the state; (2) military service; or (3) demonstrated good cause as determined by ACPE.

- 2. attend an eligible postsecondary institution;
- 3. be enrolled at least half-time in a career vocational-technical program or an associate, baccalaureate, or graduate degree program;
- be a student in academic good standing, as defined by the institution you attend:
- 5. not be delinquent or have ever defaulted on a prior student loan or be past due in a child support obligation;
- not have a status at the time of application for a loan, or disbursement of the funds, that would prevent you from repaying the loan as it becomes due:
- have a credit history that demonstrates good credit or have a creditworthy cosigner;
- 8. not, in a single year, receive a loan from both the Alaska Supplemental Education Loan Program and from the Teacher Education Loan Program;
- 9. if a flight student, hold an applicable pilot's license and be enrolled in a flight-training course certified under 14 C.F.R. Part 141 or 142. Submit a copy of your pilot's license with your application;
- 10. within the preceding five years not have had an education loan writtenoff for any reason except for discharge in bankruptcy; and
- 11. have complied with any applicable military selective service registration requirements under the Military Selective Service Act. ACPE will automatically register you if you are not already registered when you apply.

B. This Is Not A Federal Loan:

For your lowest cost options, talk to your school's financial aid office. Before borrowing any loan, always use grants, scholarships and other funds that do not have to be repaid. Interest rates may be lower for federal loans. If you are attending a Title IV approved school, complete a Free Application for Federal Student Aid (FAFSA) to ensure that you are considered for all federal and state aid. You can complete your FAFSA online at www.fafsa.ed.gov.

C. Interest:

The interest rate for the ASEL is 6.70%. The interest rate is set annually and is fixed for the life of the loan. You have the option to cancel your loan within 30 calendar days of the loan approval. Interest accrual commences upon issuance of the initial disbursement to your school. Interest accrues during in-school, repayment, deferment, and forbearance periods. Accrued and unpaid interest must be satisfied before payments are applied to principal. Accrued and unpaid interest may be capitalized, or added to your loan's principal. In the event your loan becomes delinquent or in default, you may be responsible for late fees, attorney fees and/or collection costs.

D. Annual Percentage Rate (APR):

The annual percentage rate (APR) is the cost of your credit as a yearly rate. Each time you enter repayment, the APR is calculated based upon the loan's unpaid interest and principal and the remaining months to repay. For this reason, the calculated APR will likely change with each disclosure and will generally be higher than the actual rate at which interest is being charged on your loan balance. The APR also varies due to periods when interest is being charged but is not being paid (e.g. in-school, grace period, deferments, etc.) or when any payments become or remain past due for an extended period of time. The APR also increases if you make reduced monthly payments. Similarly, if you postpone or otherwise delay payment, the APR increases and you pay more interest than the estimated or assumed interest on your original repayment schedule. If you accelerate your repayment schedule, the APR is reduced and less interest is paid. The amount financed in the interim period is the principal amount of the loan less the origination fee.

This table represents estimated rates	Interest Rate	APR
Freshman (assumes 4 year	urs until graduation)	
Principal Loan	6.70%	6.40%
Amount \$8,500.		

The APR assumes a principal loan amount of \$8,500, a repayment term of 10 years, and no origination fee.

CAUTION

This is a loan. Do not borrow needlessly!

Failure to timely repay this loan may result in, but is not limited to:

- adverse reports to consumer reporting agencies
- additional costs to you for collection and accrued interest
- forfeiture of loan deferment rights
- seizure of your Alaska Permanent Fund Dividend
- denial of renewal of Alaska occupational or professional license
- administrative wage garnishment
- lien on propertya judgment in a court of law and/or legal or collection action

REMEMBER—Under current loan terms, after four years of borrowing as an undergraduate, monthly payments can be as much as \$500 or even greater at graduate loan maximums.

E. Origination Fee:

There is no origination fee charged on disbursements made under this note.

F. Late Fees and Collection Fees:

In the event your loan becomes past due in payment you may be responsible for late fees, reasonable collection agency fees and/or legal fees.

G. Repayment:

Generally you must repay in monthly installments of at least \$50 per month for up to 10 years, but that term may be extended in qualifying situations, which also increases the total amount of debt you will be required to repay.

H. Deferment of Repayment:

This loan includes deferment options during qualifying periods. Interest continues to accrue during deferments so you should consider carefully costs and benefits associated with deferments. You may elect to pay interest during deferment and reduce the overall costs of borrowing. Any non-defaulted prior loans from ACPE will be placed into student deferment status based on notification of qualifying enrollment. Default will result in forfeiture of any deferment rights.

Section Two: General Information

A. Governing Law:

Governing Alaska statutes and regulations AS 14.43.170-175 and 20 AAC 15.700-795 as amended from time to time are incorporated by reference into this Note.

B. Application Period:

Apply early to ensure timely application processing. Processing normally takes one week except during peak application periods. No application or request for an increased loan amount will be accepted for an enrollment period that has ended.

C. Insufficient Applications:

An application that is incomplete, incorrectly completed, illegible, appears altered or is not the original may be returned to you unprocessed.

D. Revised Applications:

You must contact ACPE if you change schools, change your dates of attendance, request an increased loan amount, or change enrollment status.

E. Credit Assessment:

Each year that you request funds, your credit history will be reviewed and your Social Security Number will be matched against the Department of Revenue, Child Support Enforcement Division's database, and other databases as may be required by law, to ensure that you continue to be eligible. If you do not meet qualifying criteria, you will be informed in writing of the reason for the denial, and any subsequent disbursements will be cancelled.

F. Endorser/Cosigner:

An eligible endorser/cosigner is required if you are under 17 years of age or if you do not meet the requirements of AS 14.43.172. The endorser/cosigner has an independent responsibility to repay the loan and to notify ACPE in the event of changes affecting the endorser/cosigner or the student borrower. ACPE will notify the endorser of delinquency in repayment, deferments granted, or any repayment agreement that changes the amount due on the loan. You may elect to provide an endorser/cosigner to ensure your application is found to be creditworthy. If you elect to provide an endorser/cosigner in support of your loan request, that person will continue to be a responsible party for the loan even in the event you meet the credit conditions independently.

G. Loan Maximums:

For costs related to tuition/fees, room/board, books, supplies, miscellaneous related costs, and allowance for transportation, you may receive:

- Undergraduate students up to \$8,500 per academic year
- Graduate students up to \$9,500 per academic year
- Vocational/flight students up to \$6,500 per academic year

Aggregate Loan Maximums

- Undergraduate study (including vocational/flight) \$42,500
- Graduate study \$47,500
- Combined total \$60,000

Aggregate maximums include loans paid-in-full and loans from ACPE loan programs.

H. Disbursement of Loan Funds:

ACPE will disburse funds through your school's financial aid office. Your loan will generally be disbursed in multiple installments based on the academic terms at the school. If you are attending a school without standard academic terms, your loan will generally be disbursed in two disbursements, one at the beginning and one at the midpoint of the enrollment period.

I. Allowable Uses of Loan Funds:

You may use this loan only to pay for eligible costs of tuition and fees; room and board (living expenses); books, supplies, and miscellaneous program related costs; and allowance for transportation, based on your school's published budget. Loans cannot be made for correspondence study, but students enrolled in accredited or ACPE-authorized distance education programs are eligible to receive funding provided the financial aid office is able to certify attendance.

J. The School You Choose:

ACPE does not attest to the quality of a school or its programs, and it is your responsibility to determine if the certificate or degree you will receive meets any state licensing criteria for your intended profession or employment field.

K. Americans With Disabilities Act Compliance:

Otherwise qualified individuals shall not, on the basis of a disability, be discriminated against or excluded from participation in, or the benefits of, the services, programs or activities of ACPE. Please notify ACPE if you need a disability accommodation.

L. Notice of Information Sharing with Institutions and Privacy Act Notice:

Information will be used to verify the identity of the applicant; to determine eligibility; to permit servicing of the loan; and to locate missing borrowers and collect on delinquent or defaulted loans. The information may be furnished during the life of the loan to holders of this and other Alaska Supplemental Education Loans made to the borrower: to educational institutions where the borrower is enrolled or is accepted for enrollment; to guarantee agencies, and to government agencies or private parties who may be able to provide information necessary for the collection of the loan or to assist in the servicing or collection of the loan; or, as needed to contractors and other third parties involved in servicing the loan. Disclosure of the applicant's social security number (SSN) is required as a condition for participation in the loan program. ACPE may require the SSN under Section 7(a)(2) of the Privacy Act of 1974 (Pub. L. 93-579). The SSN will be used to verify the identity of the applicant, and although not used as the account number, may be used to identify account holders throughout the life of the loan. ACPE may utilize your SSN to access state of Alaska or federal databases to determine your eligibility for administrative action or administrative garnishment in cases of default.

A copy of ACPE's Privacy Policy is available on our website.

Promissory Note

The terms of the application/promissory note packet will be administered according to applicable Alaska law including Alaska Statutes 14.43.170 - 175 and Alaska Regulations 20 AAC 15.700. – 795 as amended from time to time

Prepayment

I may at any time, at my option and without penalty, prepay on this loan.

Repayment

I will contact ACPE when I terminate school enrollment to establish a repayment schedule. I will automatically receive a six-month interest-bearing grace period before the repayment period begins. My first payment will be due no later than 45 days after the last day of my grace period. I will repay this loan in monthly installments of at least \$50 within a 10-year repayment period. I may request a shorter repayment schedule. The terms and conditions of repayment will be set forth in a separate document that ACPE will provide to me before the repayment period begins. I must repay the loan in accordance with the repayment schedule that ACPE gives me. I agree to send any payment noted as "paid in full" to a designated address provided by ACPE for special processing. I authorize the educational institution to pay to ACPE any refund which may be due to me up to the full amount of this loan.

Statement of Educational Purpose

I certify that I will use any ACPE funds I receive solely for the expenses listed under Allowable Uses of Loan Funds in the application packet. I understand that I am responsible for immediately repaying any funds I receive that cannot reasonably be attributed to meeting my educational expenses.

Maintaining Alaska Residency or Physical Presence Requirement

I understand that in order to be eligible to receive this loan I must be either a legal Alaska resident, or be a student physically present in Alaska attending an Alaska institution. My eligibility to receive new loans continues only while I remain an Alaska resident or continue enrollment at an Alaska institution. Refer to page 1 for the definition of Alaska residency.

Maintaining Academic Good Standing

I must maintain academic good standing according to my school's requirements. I must have successfully completed any vocational program of study previously funded by an Alaska state education loan prior to receiving loan funds for any additional vocational program of study.

Changes Requiring Notification

I will report to ACPE in writing any change that affects the conditions of a loan or its repayment schedule, including any:

- a) change of name, address, or telephone number,
- b) change of institution, dates of attendance, or enrollment status;
- c) failure to enroll at the school for the period for which the loan was obtained:
- d) graduation, withdrawal, or dismissal from the course of study for which the loan was awarded; or
- e) inability to make payments as scheduled.

Failure to comply with these reporting requirements may exalt in ACPE declaring my loan in default and demanding payment in full of my outstanding loan balance.

Information Sharing

I authorize the release of information pertinent to my loans: (1) by the school or ACPE to the references or endorser/cosigner on the applicable loans, or to members of my immediate family unless I submit written direction otherwise; and (2) by and among my schools, ACPE and the U.S. Department of Education. I further authorize the references provided or any educational institution that I may attend to release to ACPE, or subsequent holder or their agents, any requested information pertinent to this loan or to assist in its collection.

Loan Servicing

I authorize ACPE and any of their contractual vendors to use all phone numbers, including cell phone numbers provided by me, in the servicing of my loans. I understand that these calls are often placed by automated dialing systems leaving virtual messages.

Default and Consumer Reporting

If I default on this loan, ACPE may declare the entire unpaid amount of the loan, including interest and fees, immediately due and payable. Any of the following events could constitute my default status:

- acceptance of disbursements for which I am not eligible;
- a loan payment becomes 180 or more days past due;
- falsification of any information in connection with this loan, whether by omission or commission
- failure to notify ACPE within 30 days after any change that affects the conditions of a loan or its repayment schedule, including any change of name, address, change of institution; change in dates of attendance; change in carollinem status; withdrawal or dismissal from the course of study for which the loan was awarded; or
- failure to maintain Alaska legal residency or Alaska institution enrollment while borrowing under this program, as applicable.

Punderstand that if I allow my loan to default, the commission may garnish my Alaska Permanent Fund Dividend or prevent renewal of an Alaska occupational license held by me ACPE may transfer my loan to a collection agency, garnish my wages and place a lien on my assets for collection of this debt.

Information concerning the amount of this loan and its status will be reported to nationwide consumer reporting agencies upon initial disbursement. If I default on this loan, the lender will also report the default to consumer reporting agencies. Default status will result in the forfeiture of any deferment rights.

Bankruptcy

In the event that bankruptcy proceedings are commenced by or against me, I agree to notify ACPE in writing within 20 days after the petition is filed.

18. I PROMISE TO PAY to the Alaska Commission on Postsecondary Education the loan amount advanced plus interest and fees. I CERTIFY: 1) I am not delinquent, nor have I ever been in default, on a student loan, nor had such a loan written off for any reason within the past five years; 2) I am not past due in paying an established child support obligation; 3) I do not have a status that would prevent me from repaying this loan as it becomes due, including any conditions that prevent future employment; 4) I have not defaulted on any consumer loan; 5) I am a U.S. citizen or eligible noncitizen; and 6) I am otherwise qualified to be a borrower for this loan.

I understand that this is a Note for a loan I am required to repay. I understand that multiple loans may be made to me under this Note. SECTION 5: DEFINITIONS

Cost of attendance is an estimate of tuition and fees, room and board, transportation, and other costs for the period of enrollment covered by the loan, as determined by the school. A student's cost of attendance may be obtained from the school's financial aid office.

Estimated financial assistance is all federal, state, institutional (school), private, and other sources of assistance used in determining eligibility for most Title IV student financial aid, including amounts of financial assistance used to replace the expected family contribution. The student's estimated financial assistance is determined by the school and may be obtained from the school's financial aid office.

A **lender** is a private education lender as defined in Section 140 of the Truth in Lending Act and any other person engaged in the business of securing, making, or extending private education loans on behalf of the lender.

A **period of enrollment** is the academic year, academic term (such as semester, trimester, or quarter), or the number of weeks of instructional time for which the applicant is requesting the loan.

A **private education loan** is a loan provided by a private education lender that is not a Title IV loan and that is issued expressly for postsecondary education expenses, regardless of whether the loan is provided through the school that the student attends or directly to the borrower from the private education lender. A private education loan does not include (1) An extension of credit under an open-end consumer credit plan, a reverse mortgage transaction, a residential mortgage transaction, or any other loan that is secured by real property or a dwelling; or (2) An extension of credit in which the school is the lender if the term of the extension of credit is 90 days or less or an interest rate will not be applied to the credit balance and the term of the extension of credit is one year or less, even if the credit is payable in more than four installments.

Title IV student financial aid includes the Federal Pell Grant Program, the Federal Supplemental Educational Opportunity Grant (FSEOG) Program, the Federal Work-Study (FWS) Program, the William D. Ford Federal Direct Loan (Direct Loan) Program, the Federal Perkins Loan Program, and the Teacher Education Assistance for College and Higher Education (TEACH) Grant Program. To apply for Title IV federal grants, loans, and work-study submit a Free Application for Federal Student Aid (FAFSA), which is available at www.fafsa.gov, by calling 1-800-4-FED-AID, or from the school's financial aid office.
