Alaska Supplemental Education Loan (ASEL) 2016/2017 Application and Promissory Note

Loan Terms and Conditions

The Alaska Commission on Postsecondary Education (ACPE) services the education loans owned by the Alaska Student Loan Corporation (ASLC). Loans made under this application are governed by Alaska law including Alaska Statutes 14.43.170 - 175 and Alaska Regulations 20 AAC 15.700–795 and 20 AAC 15.910-15.990, as amended from time to time.

A. Eligibility Requirements

In order to qualify for this loan, you must:

1. be a U.S. citizen or an eligible non-citizen, and
 - a) an Alaska resident, or
 - b) a student physically present in Alaska and attending an Alaska institution;
2. attend an eligible postsecondary institution;
3. be enrolled at least half-time in a career vocational-technical program or an associate, baccalaureate, or graduate degree program;
4. be a student in academic good standing, as defined by the institution you attend;
5. not be delinquent or have ever defaulted on a prior education loan, and within the preceding five years not have had an education loan written off for any reason except for discharge in bankruptcy;
6. not be past due in an Alaska child support obligation;
7. not have a status at the time of application for a loan, or disbursement of the funds, that would prevent you from repaying the loan as it becomes due;
8. have complied with any applicable military selective service registration requirements under the Military Selective Service Act; and
9. meet all other requirements under AS 14.43.125.

B. Credit Assessment/Eligibility Checks:

ACPE will review your credit history, and your Social Security Number will be matched against the Alaska Department of Revenue, Child Support Enforcement Division’s database, and other required databases, to ensure you are eligible. To qualify for the ASEL, you must have a FICO credit score of at least 680. If you do not qualify, you will be informed in writing of the reason for the denial and given an opportunity to add a cosigner to your application.

C. Interest:

The ASEL has a fixed interest rate of 6.25%. Interest begins to accrue when funds are sent to your school. Interest accrues during in-school, repayment, deferment, and forbearance periods. Accrued and unpaid interest is capitalized (added to the principal balance) at various times. Generally, interest is capitalized any time your loan changes from a non-repayment status, such as grace or deferment periods, to a repayment status. Payments are applied first to accrued interest, then to the principal balance.

D. Fees:

ACPE charges no origination fees. If your loan becomes past due in payment, you may be responsible for late fees, collection agency fees, and/or legal fees.

IMPORTANT

Before borrowing, always use grants, scholarships, and other funds that do not have to be repaid. This is not a federal loan and does not have the same repayment options.

Failure to timely repay this loan may result in, but is not limited to:

- adverse reports to consumer reporting agencies
- additional costs to you for collection and accrued interest
- forfeiture of deferment rights
- seizure of your Alaska Permanent Fund Dividend
- denial of renewal of Alaska occupational or professional license
- administrative wage garnishment
- lien on property
- a judgment in a court of law and/or legal or collection action

REMEMBER—Under current loan terms, after four years of borrowing as an undergraduate, monthly payments can be as much as \$500 or even greater at graduate loan maximums.

E. Annual Percentage Rate (APR):

The APR is the yearly cost of borrowing money, shown as a percent of the amount you borrowed. The APR is calculated based on the loan’s unpaid interest, principal balance and the remaining months to repay. For this reason, the APR may be different from the interest rate that is being charged on your loan balance.

This Table Represents Estimated Rates	Interest Rate	APR
Principal Loan Amount \$10,000	6.25%	5.94%

The APR in this example is based on a freshman borrower and assumes four years until graduation, a principal loan amount of \$10,000, a repayment term of 10 years, and no origination fee.

Federal law requires all lenders to provide this information about important credit protections available to members of the Armed Forces and their dependents. In general, the cost of consumer credit to a member of the Armed Forces and his or her dependent may not exceed an annual percentage rate of 36 percent. This rate must include, as applicable to the credit transaction or account: The costs associated with credit insurance premiums; fees for ancillary products sold in connection with the credit transaction; any application fee charged (other than certain application fees for specified credit transactions or accounts); and any participation fee charged. **To receive this information verbally, contact us at 800-441-2962.**

F. Cosigner:

An eligible cosigner is required if you are under 17 years of age, do not meet the credit requirements, or have defaulted on a prior education loan with ACPE. If you elect to add a cosigner, that person will be responsible for the loan even in the event you meet the credit conditions independently. ACPE will notify the cosigner of periods of delinquency, deferments granted, or any repayment agreement that will change the amount due on the loan.

G. Disbursement of Loan Funds:

ACPE will send funds to your school's financial aid office. Your loan will be disbursed in equal installments based on the start date of your school's academic terms and your enrollment period.

H. Allowable Uses of Loan Funds:

If you are enrolled on-time or full-time, this loan may be used for tuition and program-related costs; room and board (living expenses); books; supplies; and allowance for transportation, based on your school's published budget.

Generally, you must repay the loan in monthly installments of at least \$50 per month for up to 10 years. Payments can be as much as \$500 or greater depending on the total amount borrowed. The repayment term may be extended in qualifying situations, which also increases the total amount to repay.

Estimated financial assistance is all federal, state, institutional (school), private, and other sources of assistance used in determining eligibility for most Title IV student financial aid, including amounts of financial assistance used to replace the expected family contribution.
