## ACAC Partner Spotlight

**AVTEC-Alaska Vocational Technical Center** is a dynamic, state-operated career training center whose mission is to empower Alaskans with the skills and training needed to launch rewarding careers in less than a year. AVTEC has the ability to provide focused, hands-on training tailored to real-world careers. Whether an individual is to embark on a new career path or to enhance their skills in a current field, AVTEC's programs – innovative and industry-relevant – open doors to opportunity and success:

- Construction Technology
- Culinary Arts
- Diesel/Heavy Equipment Technologies
- Industrial Electricity
- Industrial Machine & Maintenance
- Industrial Welding
- Information Technology
- Plumbing & Heating
- Refrigeration
- Alaska Maritime Training Center

*AVTEC has been named one of USA Today's "America's Top Vocational Schools" of 2025!*

## ACAC Partner Spotlight

### Alaska Community Foundation

The **Alaska Community Foundation** connects people who care to the causes that make a difference and matter most to them. ACF encourages and nurtures philanthropy through building and managing permanent endowments, convening stakeholders, working with partners to strengthen Alaskan communities, and providing donors with flexible giving options that are strategic to their philanthropic objectives.

ACF runs competitive grant cycles throughout the year that are open to eligible local nonprofits and other organizations serving the public good.

ACF also offers over 60 postsecondary scholarship opportunities for students across Alaska to realize their educational goals. ACF's scholarship application period opens on January 15 and runs through March 15. Scholarships at ACF are made possible by passionate donors who are committed to helping Alaska's students pursue their educational dreams.

## Annual ACAC Training

ACPE's **Annual ACAC Training** is a free professional development opportunity that equips Education and Workforce Development Stakeholders with the knowledge, resources, and tools to support Alaska's students navigate their postsecondary journey.

For the **2025 ACAC Training**, we will continue with our successful series of short, unique live sessions from a multitude of new and returning Guest Presenters. ACAC Training sessions will take place on Zoom, on every Tuesday and Thursday, from 9am to 12pm. Sessions will be recorded and made available promptly.

Registration will open up soon!
