

ANSWERS – Alaska Navigator: Statewide Workforce and Education-Related Statistics

Mission: Deliver outcomes information to Alaska stakeholders to assess, evaluate and improve the state's education and career development spectrum

Purpose: To provide critical information to Alaska's policymakers, educators, and general public about Alaska's education and workforce spectrum, including:

- ★ Student transitions, such as high school to postsecondary education, postsecondary education to the workforce, etc.
- ★ Performance in education and workforce systems, and evaluation of education program outcomes
- ★ Return on investment, enhancing ability to measure program costs as related to outcomes

ANSWERS Project Overview

- ★ Federal grant - \$4 million over three years (July 2012 to June 2015)
- ★ Alaska's P-20W (early learning through the workforce) grant-funded project to link existing K-12, postsecondary and workforce data
Alaska

Project Deliverables and Timeline

- ★ Planning and Preparation – Complete as of June 2013
- ★ Infrastructure – July 2013 to September 2014
- ★ Development – March 2014 to March 2015
- ★ Data Reporting – May 2014 to April 2015
- ★ Training & Professional Development – January 2015 to June 2015
- ★ Sustainability – July 2014 to June 2015

Project Progress

- ★ Completion of Outcome 1 – Project Planning and Preparation (Complete)
 - Established and implemented governance structure
 - Completed analysis of existing data systems
 - Created stakeholder engagement and communications plan
 - Developed business and technical requirements
 - Partner agreement on system design, platform, and processes
 - Gathered stakeholder input and issued proof-of-concept reports
- ★ Commencement of Outcomes 2 and 3 – Infrastructure and Development
 - Contract established to design and develop ANSWERS software
 - Functional and technical requirements defined to inform design
 - Testing to begin in July 2014
- ★ Commencement of Outcome 4 – Data reporting
 - Contracts are in place to bring research and data visualization expertise to Alaska's project
- ★ Commencement of Outcome 6 – Sustainability
 - Sustainability and Program Management Office (PMO) plan development is underway

NCES Site Visit: Partner agencies participated in the June 2014 Alaska site visit conducted by the NCES DC-based federal program officer, program analyst, and state support team advisor. Initial feedback provided to Alaska during the visit was very positive.

ANSWERS

ANSWERS is a collaboration of the Alaska Commission on Postsecondary Education, University of Alaska, Alaska Department of Education & Early Development, and Alaska Department of Labor & Workforce Development.
