

Alaska College & Career Advising Corps

POSITION DESCRIPTION

POSITION: College & Career Guide

REPORTS TO: ACAC Program Manager

OVERVIEW:

The College & Career Guide is a unique service learning opportunity for recent college graduates who are committed to improving education access for youth in Alaska. College & Career Guides are placed in high schools, where they must develop and execute strategies to build a culture promoting postsecondary access, participation and success. Guides will work in collaboration with counselors, teachers, and the community to provide direct advising to students while being a positive cultural catalyst. A successful Guide is self-directed, strategic, professional yet accessible, able to work with multiple stakeholders, and knowledgeable of higher education in Alaska and the challenges facing underserved youth.

Guides are hired for an initial 10.5-month term, after which a second 10.5-month term may be offered based on a variety of condition including a positive performance evaluation.
