

Entrepreneurial Career Assessment

The Entrepreneurial Career Assessment can help you learn more about entrepreneurs and about yourself. When you rate your response to each statement, you may understand why self-employment appeals to you. You may also learn about areas where you can improve.

First, go to akcis.org and log in with your username and password.

1. Hover your mouse over the Employment tab and click **Entrepreneurial Career Assessment Form**.

2. The assessment screen appears. Read the instructions for this assessment and click **Rate the statements**.

3. Read each statement and click the **best answer for you**. The screen will automatically refresh with a new question. You can go to the previous question by clicking **Previous**. A status bar will show your progress.

4. Once you have answered all the statements, click **Results**.

5. The Assessment Results page appears, detailing your score. Click **Save** to save your results to your portfolio.

6. For additional information, click **Analysis for Entrepreneurial Career Assessment Form**.
