

Alaska Performance Scholarship

An invitation to excellence, extended to students, parents and educators alike.

The following Alaska postsecondary institutions and training centers are approved to participate in the Alaska Performance Scholarship (APS) program for the upcoming academic year. There are two lists:

1. **Regionally and Nationally Accredited Institutions** offer career and technical education (CTE) certificates, and associate, bachelor, and master degrees.
2. **Career and Technical Education (CTE) Institutions / Training Centers** offer Department of Labor and Workforce Development-approved CTE certificate programs.

Collegiate award-eligible students – (those who achieved qualifying SAT or ACT scores) – the APS can be used to enroll in a degree or CTE certificate program at an institution on either list.

CTE award-eligible students – (those who achieved qualifying WorkKeys scores) – the APS can be used to enroll in institutions on either list **for CTE certificate programs only**. NOTE: Occupational Endorsement (OE) programs are not eligible for APS funds.

Contact your institution’s Financial Aid Office to verify that your APS award can be used for your intended program of study.
