## CGA Event Sharing on Social Media

1. CGA Statewide Coordinator (at ACPE) will create your CGA event on CGA's facebook page after your event details (date, time, and venue) have been finalized.
2. Your CGA event will be scheduled to post on ACPE's facebook page one (1) week before your event.
3. When your scheduled CGA event posts on ACPE's facebook timeline, ACPE will e-mail you a notification that your event has posted under the following web page address:  
<https://www.facebook.com/followacpe/>.
4. Please share your event details on your organization's facebook timeline, and on any other social media platform that your organization uses.
