What is the FSA ID?

- The FSA ID is a username and password used by students, parents, and borrowers to:
  - login to U.S. Department of Education websites
  - electronically sign documents
- You will use it:
  - Every year you apply for federal student aid at fafsa.gov
  - To receive a federal student loan
  - To perform important activities as a federal student loan borrower, such as choosing a repayment plan or applying for a deferment

Does my parent need an FSA ID?

- If you are a dependent student, then your parent will need an FSA ID in order to sign your FAFSA electronically
- Not sure if you're considered a dependent student for the FAFSA, go to StudentAid.gov/dependency to find out

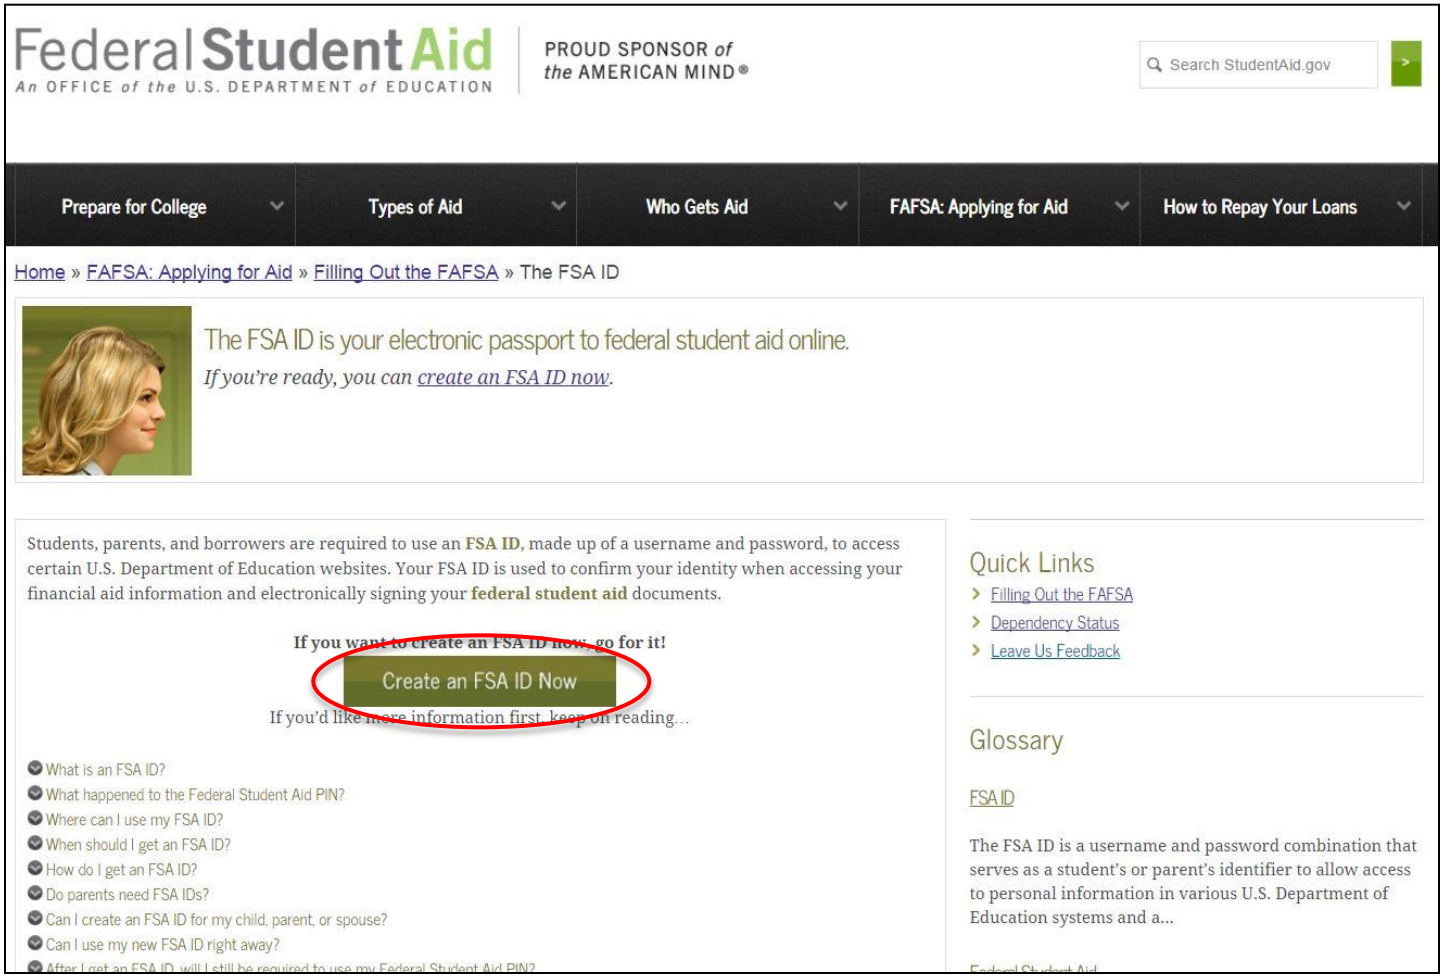
IMPORTANT

- You and your parent must have different FSA IDs
- You must create your own FSA ID—it's your electronic signature and you need to own it
- Your parent must create his or her own FSA ID
- You and your parent should each use your own e-mail address when creating an FSA ID (you can't use/share the same e-mail address)

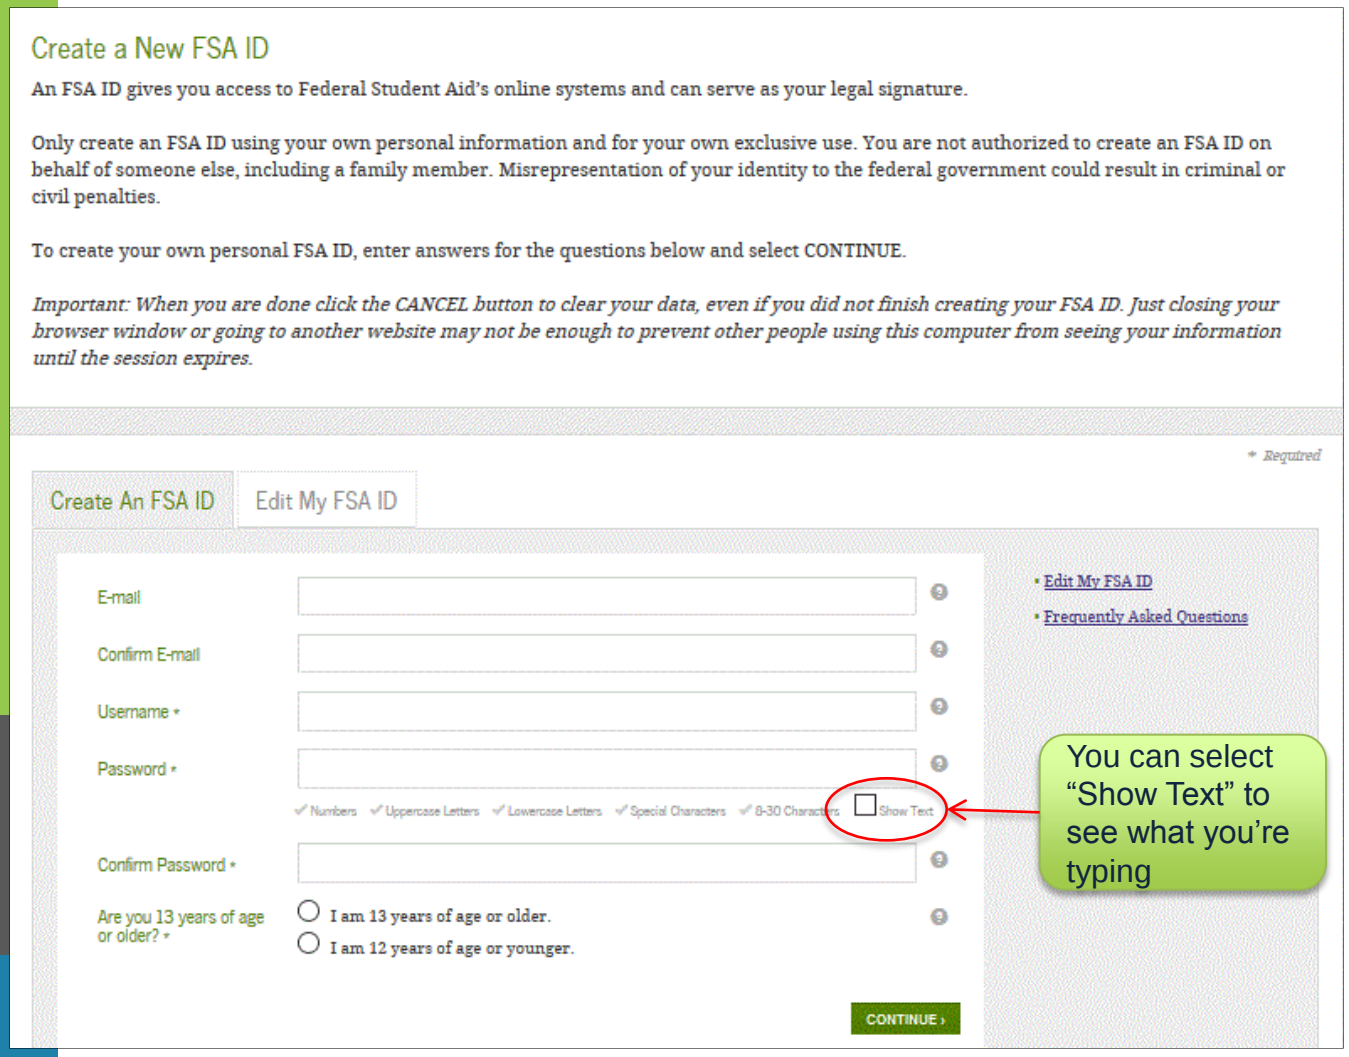
How do I create an FSA ID?

Getting Started

- Go to StudentAid.gov/fsaid
- Click the “Create an FSA ID Now” button



Create Your FSA ID (Username and password)



E-mail:

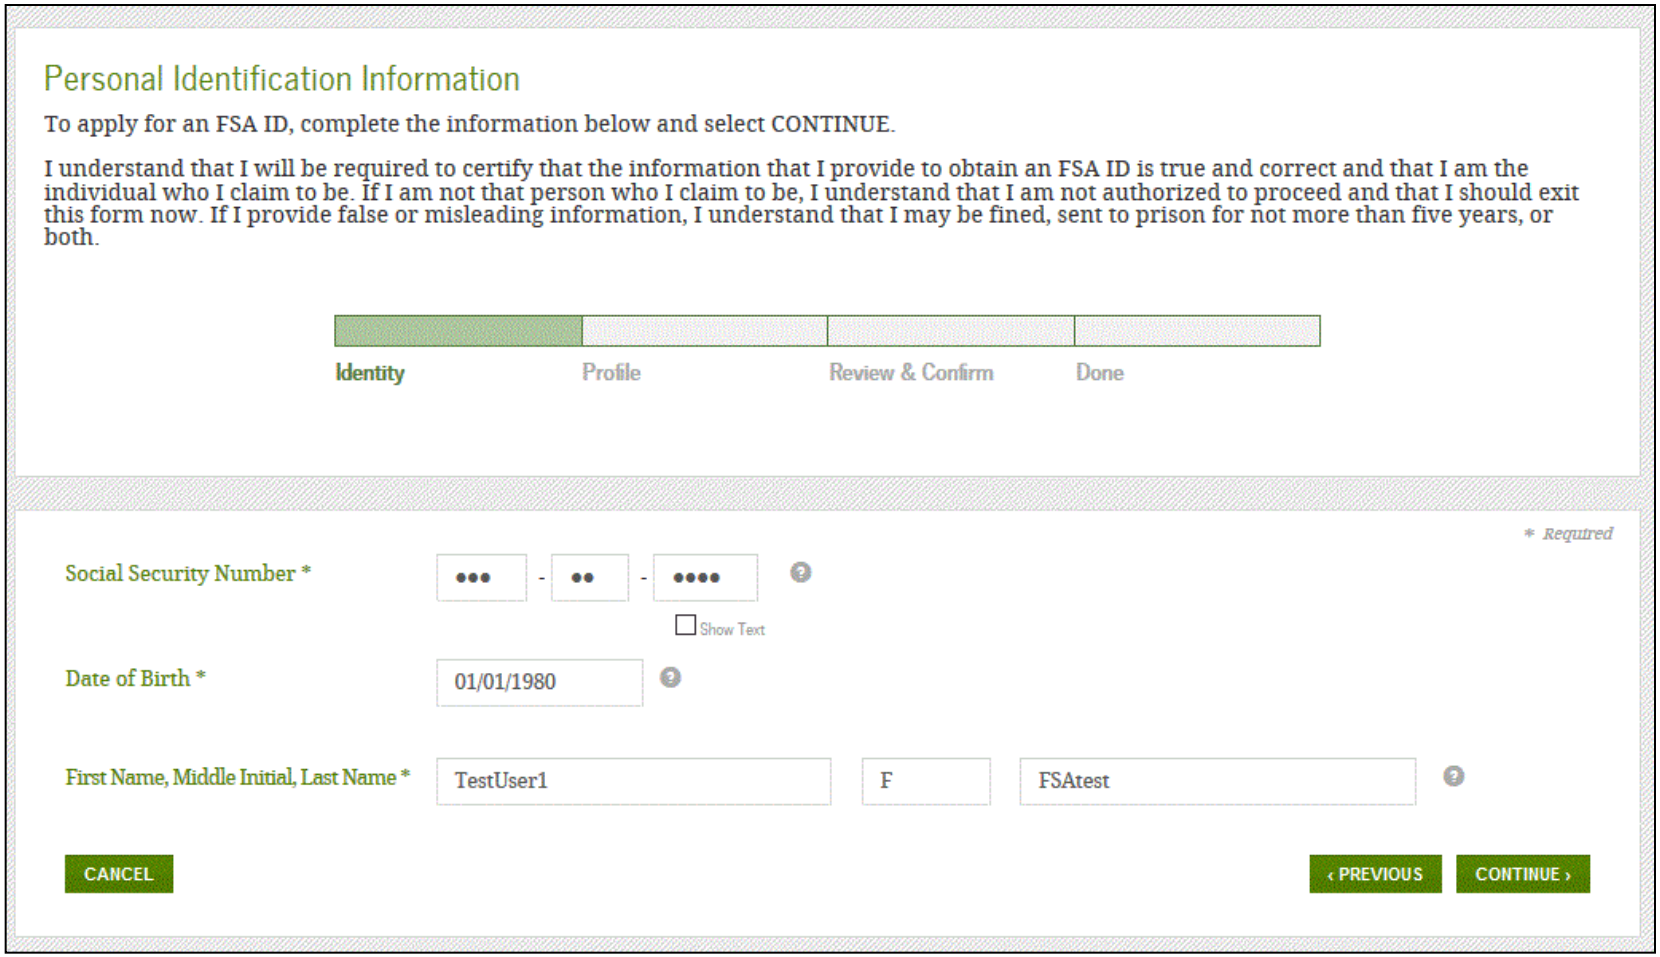
- Optional but **strongly** recommended
- Each FSA ID must have a **unique** e-mail address (you and your parent cannot use the same e-mail address)
- You must have access to this e-mail account

Username:

- Don't include personal info such as date of birth or name
- If you see a message "Username taken, create a different username" then someone has already used that username

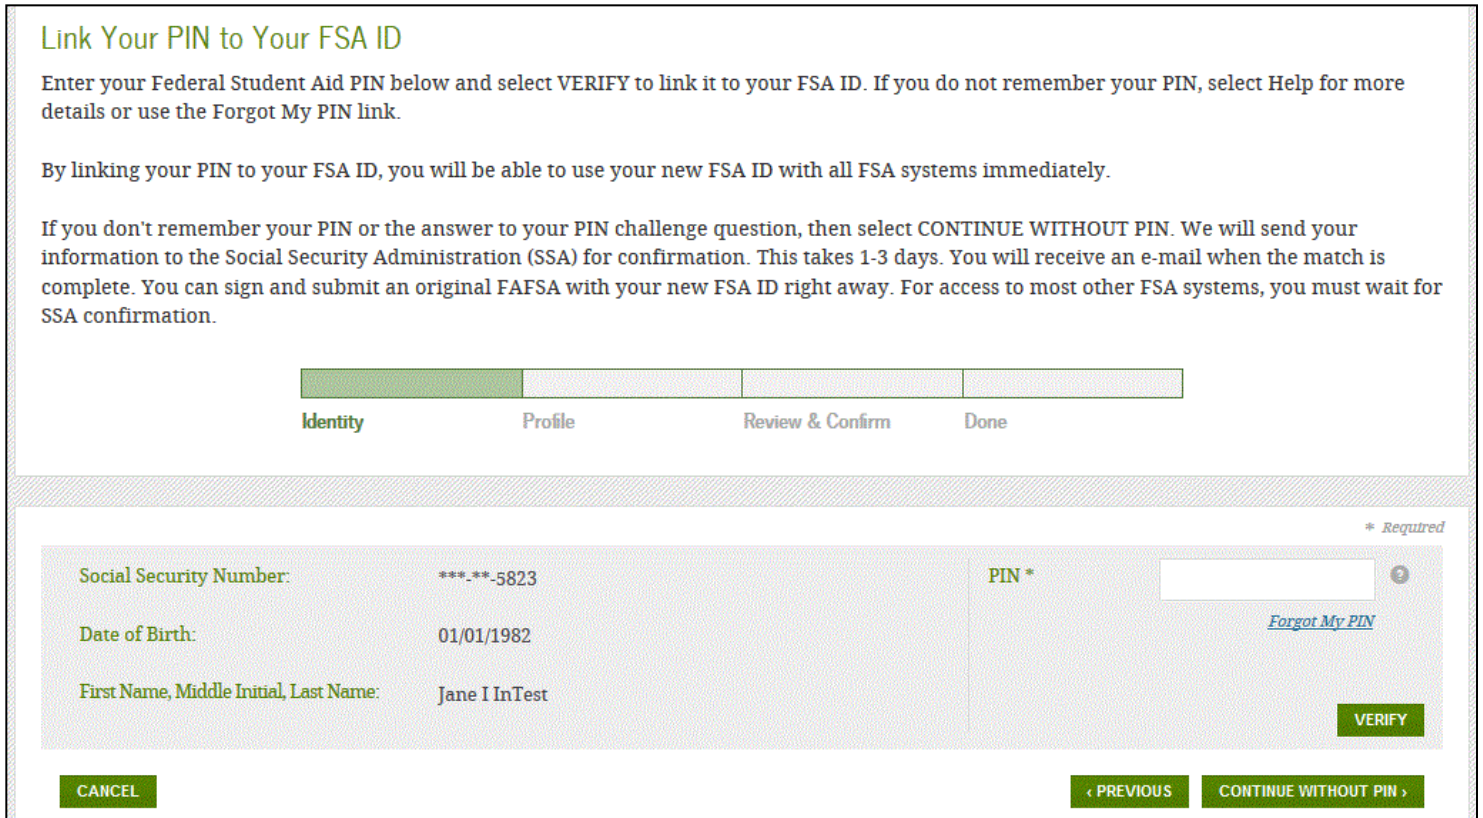
Provide Personal Information

- Make sure your Social Security number, date of birth, and name match what's on your Social Security card
- You must have a Social Security number to create an FSA ID.

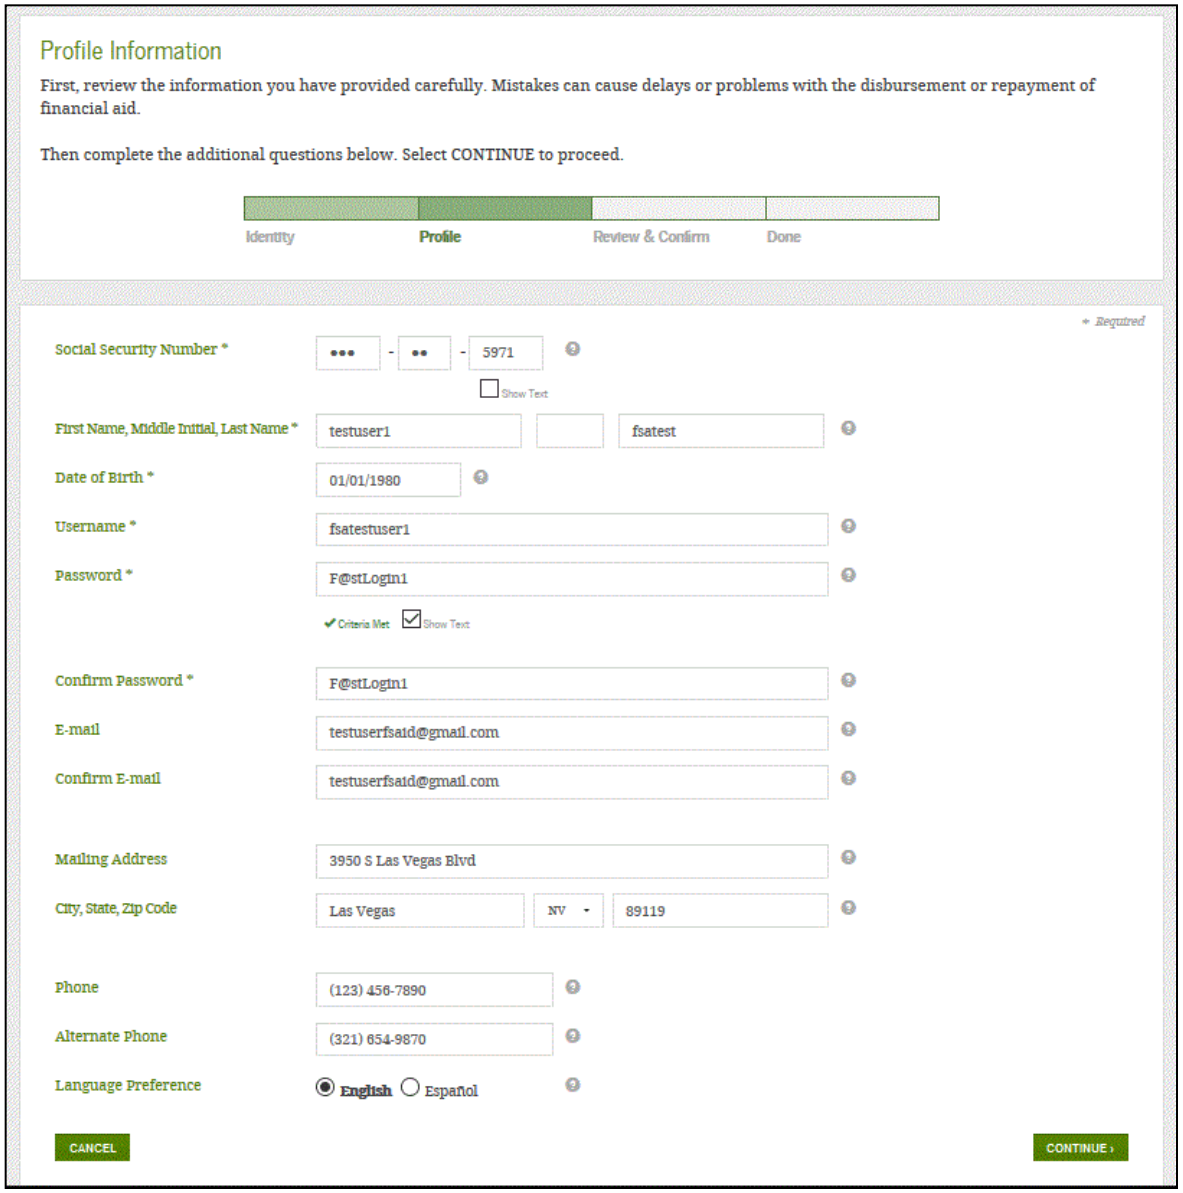


Link Your PIN (if you have one)

- If you applied for federal student aid before May 2015, then you most likely had a 4-digit PIN—the FSA ID replaces the PIN; you can link your PIN to your FSA ID on this screen
- If you can't remember your PIN, you can select "Forgot My PIN" and answer a challenge question or you can continue without linking your PIN
- If you didn't have a PIN, then you won't see this screen

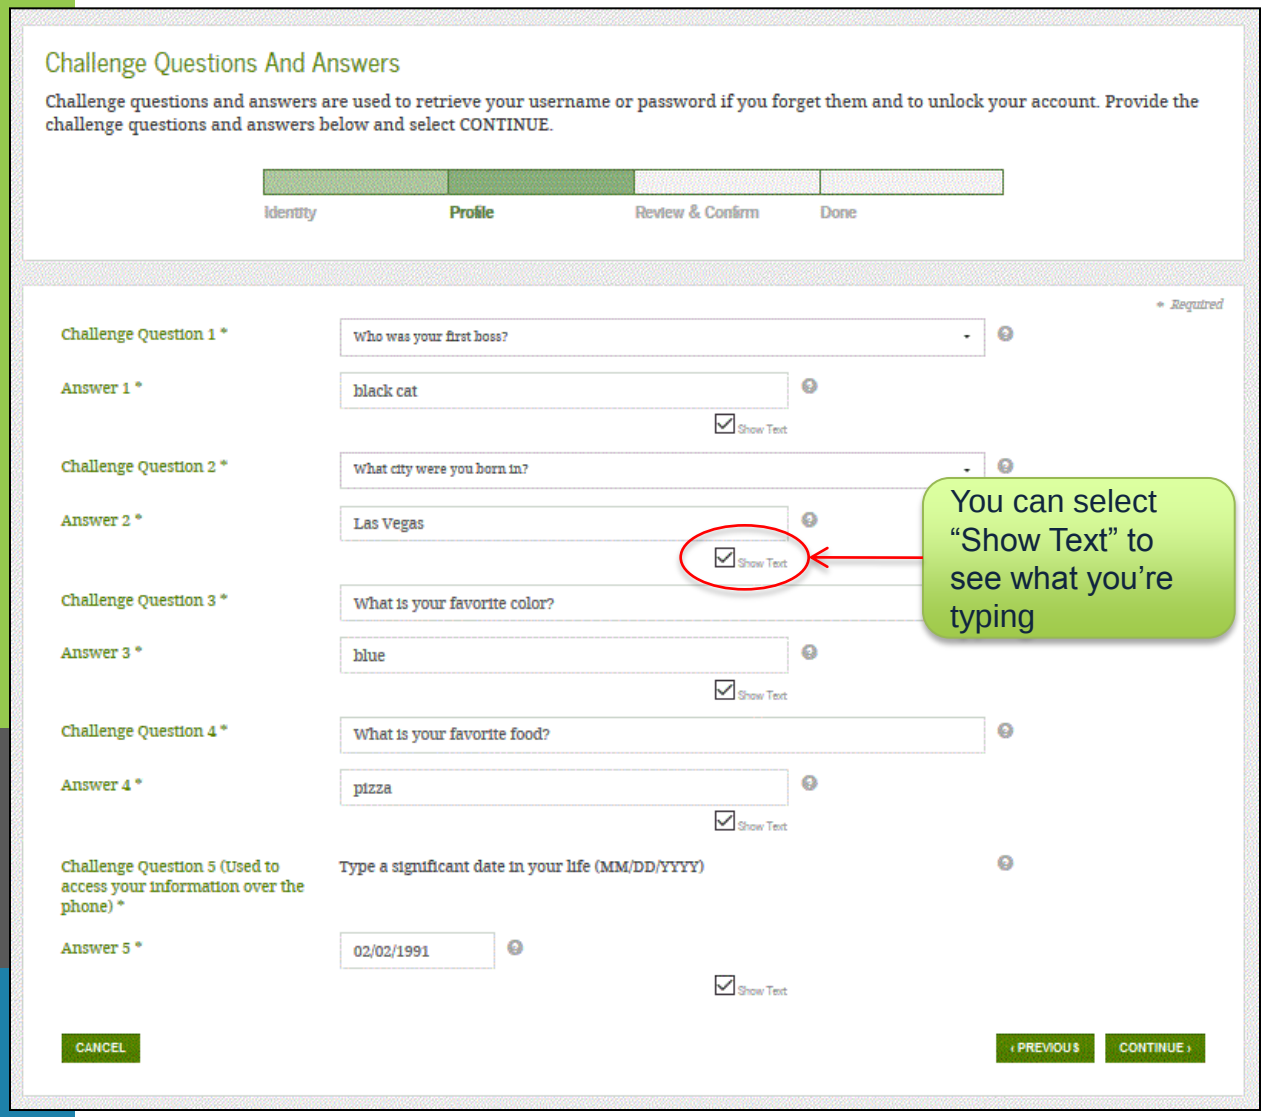


Provide Profile Information



- Confirm information you entered previously and provide additional information
- Make sure your information is correct; any errors could result in a delay or problem in your receiving financial aid (or the repayment of your federal student loans)

Select/Create Challenge Questions and Answers



Answering your challenge questions is one way to unlock your account or reset your username and password

Questions 1 and 2:

- Select a question from the dropdown menu and then enter your answer

Questions 3 and 4:

- Make up your own question and enter your answer
- Make sure the answers will be easy to remember
- Examples of questions:
  - What's your favorite color?
  - What's your favorite food?

Question 5:

- Enter a significant date
- It can't be your date of birth
- Examples of dates:
  - Favorite holiday
  - Sibling or parent date of birth
