INSTRUCTIONS

ADDITIONAL DOCUMENTATION REQUIRED FOR EXTERNAL LOANS:

If you are including external loans in your refinancing, the information found on our [Loan Verification Certificate](#) is required prior to your loan being awarded. You can either submit the completed LVC or provide alternate documentation from your lender, as long as all required information is included. Insufficient documentation may delay your loan award.

NEXT STEPS:

1. Complete and sign your application in ink. Make a copy for your records and mail the original application to ACPE at the address listed above.
2. Submit a completed Loan Verification Certificate, or similar documentation, for each external loan you included in your refinancing. This documentation can be emailed to ACPE@alaska.gov or faxed to (907) 465-5316.
3. If approved, we'll issue a Loan Approval Disclosure (LAD). The LAD provides important information, such as your loan interest rate and estimated borrowing costs. You must review and accept the LAD in order for your loan to be finalized. We'll mail you a copy, but the fastest way to review and accept your LAD is via your online account.
4. Monitor the status of your loan application through your online account at: <https://acpe.alaska.gov/>.

CONSIDER ADDING A COSIGNER:

Your interest rate is determined based on your credit history and the repayment term you choose. Your credit history will be used, unless you are including a cosigner; then your interest rate will be based on your cosigner's credit history, if their score is higher. To add a cosigner, download the cosigner application and promissory note at: <https://acpe.alaska.gov/forms/>. If your cosigner is approved, we will send you a new LAD for review and acceptance. The following chart will assist you in estimating your interest rate.

FICO Credit Score (You or your cosigner)	Loan Repayment Period	Interest Rate (fixed)
780 or higher	5 Years (60) months	3.55% (3.55% APR)
720 – 779	5 Years (60) months	3.80% (3.80% APR)
680 – 719*	5 Years (60) months	4.60% (4.60% APR)
780 or higher	10 Years (120) months	3.75% (3.75% APR)
720 – 779	10 Years (120) months	4.00% (4.00% APR)

780 or higher	15 Years (180) months	3.95% (3.95% APR)
720 – 779	15 Years (180) months	4.20% (4.20% APR)

Alaska Refinancing Loan Application and Promissory Note

Borrower Loan Terms and Conditions

The Alaska Commission on Postsecondary Education (ACPE) services the education loans owned by the Alaska Student Loan Corporation (ASLC). Loans are made and serviced in accordance with applicable Alaska statutes, regulations, and policies, including AS 14.43.122 - 160, 20 AAC 14.200 - 14.900 and 20 AAC 15.910 - 15.990, as amended from time to time, which are incorporated by reference into this Note. This loan is governed and construed in accordance with the laws of the state of Alaska. Any action to enforce the Note must be adjudicated exclusively in Alaska.

A. Eligibility Requirements:

In order to qualify for this loan, you must:

1. be a U.S. citizen or a permanent resident;
2. be an Alaska resident (primary borrower only);
3. be an obligated party or student beneficiary on the loan being refinanced; and
4. have a credit history that demonstrates good credit, including a FICO score of at least 680 and absence of adverse credit.

B. Eligible Loans:

To be included in the refinance program, a loan must:

1. have been issued to fund higher education at an institution that is accredited or has been authorized by ACPE. Qualifying loans may include Federal Stafford, PLUS, Consolidation, and state and private education loans;
2. be in grace, deferment, forbearance, or repayment status. If in a repayment status you must be current in repayment; or
3. if borrowed by a family member on behalf of a student, the student must have been an Alaska resident at the time the underlying loan was originated.

C. Conditions and Limitations of Loans:

Other qualifying requirements and loan limitations include:

1. if the refinancing loan exceeds \$50,000 and the applicant was the student recipient of the underlying loan(s), the applicant must have earned the credential for which the funds were awarded.

D. Credit Assessment:

Your credit history will be reviewed to ensure you meet the minimum credit requirements. To qualify for the Alaska Refinancing Loan, you must have a FICO credit score of at least 680 and absence of adverse credit. If you do not qualify, you will be informed in writing and given an opportunity to add a cosigner to your application.

E. Cosigner:

An eligible cosigner is required if you are under 16 years of age or do not meet the credit requirements. If you elect to add a cosigner, that person will have access to your application information, and will be responsible for the loan even in the event you meet the credit conditions independently. ACPE will notify the cosigner of periods of delinquency or any repayment agreement that will change the amount due on the loan. If you fail to repay the loan, the cosigner will be responsible for repayment of the debt. ACPE can collect from your cosigner without first having to collect from you.

F. Fees:

ACPE charges no origination fee. You may be assessed a late fee of up to \$15 if your payment is 30 days or more past due. In the case of default, you will be responsible for reasonable collection agency fees and/or collection and legal costs up to the total cost of collecting the debt you owe.

CONSUMER ALERTS

Consider very carefully if refinancing is the right choice for you. Read and understand the terms and conditions of your existing loans and of the refinance loan carefully. Only you can decide whether refinancing is to your benefit:

Be sure you understand what you're giving up before deciding to refinance. Refinancing existing loans means you are entering into a new loan contract and agreeing to new terms and conditions. The interest rate for your existing loan may be lower than the rate available with the Alaska Refinancing Loan. You will forgo any loan benefits such as forgiveness, interest subsidy, income-driven repayment plans, or discharge benefits provided for in those promissory notes, as well as any future benefits made available under those loan programs. If you have a secure job, emergency savings, strong credit, and are unlikely to benefit from forgiveness options, it *may* be a choice worth considering if you're looking to lower your payments or reduce the total interest cost.

Failure to timely repay this loan may result in, but is not limited to:

- Adverse reports to consumer reporting agencies
- Additional interest cost over the life of the loan
- Assessment of collection costs
- Seizure of your Alaska Permanent Fund Dividend
- Administrative wage garnishment and garnishment of assets
- Lien against real property

G. Interest:

The Alaska Refinancing Loan has a fixed interest rate between 3.55% and 5.00%. The interest rate you pay will be determined when your loan is approved. The rate will be based upon your credit history (or your cosigner's credit, if applicable) and the repayment term you choose. If approved, we will notify you of the rate you qualify for within the stated range. Once your interest rate is set, it will be fixed for the life of the loan.

Interest begins to accrue on the unpaid principal balance of the loan when originated and continues until the loan is paid in full. Accrued and unpaid interest is capitalized (added to the principal balance) at various times. Generally, interest is capitalized any time your loan changes from a non-repayment status, such as forbearance periods, to a repayment status. Accrued and unpaid interest, late fees, and collection fees must be satisfied before payments are applied to principal.

H. Annual Percentage Rate (APR):

The APR is the yearly cost of borrowing money, shown as a percent of the amount you borrowed. The APR is calculated based on the interest that will be charged over the life of the loan, the principal balance at origination, and the payment schedule, assuming that all payments will be made on time. The following rates are based on the highest rate currently charged.

This Table Represents	Estimated Rates	Interest Rate	APR
Principal Loan Amount	\$10,000	5.00%	5.00%

The APR in this example is based on a principal loan amount of \$10,000, a minimum monthly payment of \$100.00, a repayment term of 15 years and no origination fee.

Federal law requires all lenders to provide this information about important credit protections available to members of the Armed Forces and their dependents. In general, the cost of consumer credit to a member of the Armed Forces and his or her dependent may not exceed an annual percentage rate of 36 percent. This rate must include, as applicable to the credit transaction or account: The costs associated with credit insurance premiums; fees for ancillary products sold in connection with the credit transaction; any application fee charged (other than certain application fees for specified credit transactions or accounts); and any participation fee charged. **If you have any questions as to whether the Military Lending Act applies to you, or to receive this information verbally, along with a clear description of your payment obligation, contact us at 800-441-2962.**

I. Loan Limits:

The minimum loan amount is \$7,500.00. An applicant for a loan of \$80,000.00 or greater may be subject to additional credit-worthiness review.

J. Repayment:

A repayment schedule will be established no later than 60 days following loan origination. Generally, you must repay the loan in monthly installments of the greater of \$100.00 or the amount to repay the loan within the loan repayment schedule, including all costs of financing. Payments can be as much as \$500 or greater depending on the total amount borrowed. You will have the choice of a 5, 10, or 15 year repayment term. If you choose a shorter repayment term, you will have the option to extend your term in qualifying situations, which also increases the total amount to repay. You may prepay your loan in whole or in part at any time without penalty.

Application of Payments:

Payments received will be applied first to any late charges then accrued interest. Any remaining amount will be applied to the principal balance

of the loan. Payment on a delinquent loan will be applied first to collection costs (including late fees), then to any outstanding interest charges, then to the outstanding principal balance of the loan, until those amounts are paid in full.

K. Forbearance:

If you meet certain requirements, you may receive a forbearance that allows you to temporarily postpone making payments on your loan. Forbearances are provided at the discretion of the lender.

L. Americans With Disabilities Act Compliance:

Otherwise qualified individuals shall not, on the basis of a disability, be discriminated against or excluded from participation in, or the benefits of, the services, programs or activities of ASLC or ACPE. Please notify ACPE if you need a disability accommodation. ACPE does not discriminate on any other basis.

M. Information Sharing and Privacy Act Notice:

Information you provide in this application will be used to verify your identity; to determine eligibility; to service the loan; to maintain current contact information; and to collect on delinquent or defaulted loans. This information may be furnished during the life of the loan to holders of this and other ACPE Alaska education loans made to you; to postsecondary schools where the borrower is enrolled or is accepted for enrollment; to guarantee agencies; to government agencies or private parties who may be able to provide information necessary for the collection of the loan or to assist in the servicing or collection of the loan; or as needed to contractors and other third parties involved in servicing the loan.

The SSN will be used to verify your identity, and although not used as the account number, may be used to identify account holders throughout the life of the loan.

ACPE may use your SSN to access state or federal databases and other resources to determine your eligibility for administrative action or administrative garnishment in cases of default.

ACPE and any of their contractual servicers, including debt collectors, will use all phone numbers, including cell phone numbers you provide, in the servicing of this loan. By providing ACPE or any of its servicers with a telephone number, including a cell number, you are giving permission for any of these parties to call you on that number, including calls placed by automated dialing systems leaving recorded messages, as detailed under the Borrower Responsibilities and Agreements section below.

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT

To help the government report the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. What this means for me: When I apply for a student loan, you will ask for my name, address, date of birth and other information that will allow you to identify me. You may also ask to see my driver's license or other identifying documents.

PROMISE TO PAY *All fields marked with an asterisk are required*

THIS IS A LOAN THAT MUST BE REPAYED

I PROMISE TO PAY the Alaska Student Loan Corporation (ASLC) the amount originated under the terms of this application and promissory note to discharge my prior loan obligations, plus interest and other charges and fees that may become due. Eligible education loans, not listed on this application, may be included in my refinancing if the Alaska Commission on Postsecondary Education (ACPE) receives the loan information prior to approval. I understand ACPE will disclose the final loan balance and terms, for my approval, prior to the disbursement of funds. I understand this is a loan that I am required to repay. I further understand the amount of this loan will be based on the amount paid by ASLC to pay off balance(s) of the loan(s) included for refinancing by ASLC and may exceed otherwise estimated payoff balances. The payoff amount may differ from the estimate because ASLC will include unpaid principal and accrued interest as of the date the refinance loan is originated.

I certify I do not have a status that would prevent me from repaying the loan as it becomes due. My obligation to repay this loan will remain in force even if I become totally and permanently disabled. In the event of my death or disability, any cosigner shall remain obligated for the amount due on the loan. ASLC may choose to make a claim against my estate for payment of the amount due. I have read, understand and will abide by all terms and conditions set forth in this application and Promissory Note, and I have retained a copy of this packet for my records.

By signing, I certify under penalty of perjury that all information I have provided in support of this application is true to the best of my knowledge. I further certify that I meet all eligibility requirements and I am requesting to refinance a qualifying loan(s). I agree to be bound by the Borrower Loan Terms and Conditions, the Borrower Responsibilities and Agreements, and the terms of this Promissory Note. I agree that any stray marks or notations made to this application and promissory note, in places other than fields requiring applicant completion, will not become part of this agreement. **Note:** A person who makes a false certification has committed a criminal offense.
