ONE-ON-ONE ADVISING

DO YOUR STUDENTS OR CLIENTS NEED MORE HELP THAN YOU HAVE THE HOURS TO PROVIDE? ACPE's College & Career Specialists can take the time to walk them through many aspects of the college & career training process.

AKCIS

Creation of Alaska Career Information System (AKCIS) Portfolio and introduction to AKCIS assessments, career exploration, and education research tools.

SEARCH FOR PROGRAMS

Introduction to and assistance using tools to search for postsecondary education and career training programs.

COLLEGE ENROLLMENT PROCESS

Detailed explanation of the college enrollment process – from application, to choosing a major, to registering for courses – with an emphasis on connecting to campus resources.

FAFSA

Assistance completing the Free Application for Federal Student Aid (FAFSA).

SAR & AWARD LETTERS

Review of and assistance understanding Student Aid Report (SAR) and Financial Aid Award Letters.

ALASKA STATE FINANCIAL AID

Assistance completing applications and understanding eligibility requirements for Alaska's State financial aid. This includes the Alaska Education Loan, the Alaska Performance Scholarship and the AlaskAdvantage Education Grant.

SCHOLARSHIP SEARCHES

Introduction to and assistance using tools to search Alaska's most comprehensive online scholarship inventory in AKCIS; and advice on completing scholarship applications.

Appointments recommended, but not required.

CUSTOM WORKSHOPS

DO YOU WANT TO BRING OUTSIDE EXPERTISE ON THE COLLEGE AND CAREER TRAINING PROCESS DIRECTLY TO YOUR STUDENTS OR CLIENTS? ACPE's College & Career Specialists can help with custom workshops.

at your location • at the Success Center • via webinar

ANCHORAGE OR MAT-SU AREA

ACPE's College & Career Specialists are available to come to your location in person, host the workshop at the Success Center in the Anchorage Dimond Mall, or deliver any session to you via online webinar.

OUTSIDE OF THE ANCHORAGE OR MAT-SU AREA

ACPE staff may still be able to come to you in person at no expense to you for a workshop with your students or clients. Call to learn more.

EXAMPLES OF CUSTOM WORKSHOPS INCLUDE:

- Career Exploration through AKCIS
- Paying for College – Financial Aid is Available
- Alaska Performance Scholarship and Other Scholarships
- Completing the FAFSA - line-by-line
- Choosing a College or Training Program

The Alaska Career Information System (AKCIS) is an interactive online career and education planning tool - use it in-depth with your students or clients via administration tools, or help them set up a portfolio and explore the self-guiding learning and career planning resources and process.
